SUBJECT: CIPC Kick-off Meeting

*Eloise:  
We would rather  
do it this way than  
accept a low STAT  
ranking substitute.

1. The first meeting of the new CIPC is scheduled for 1400-1600, 11 March 1983.

2. All of the Principal Members, with the exception of MGEN Marks, will be in attendance. MGEN Marks and his alternate, BGEN Martin, have previous commitments. However, we plan to brief MGEN Marks on the results of the meeting when he is available.

3. I have also contacted Joanne and Kathy and requested that they block this date and time on your and the Admiral's calendar.

4. Agenda is being developed and will be forwarded to the members posthaste.

5. Will keep you informed!
